Portfolio: <https://stharoshan.com.np/>

A Computer Science and Information Technology (CSIT) student at Nepalaya College (TU), in the Fifth Semester, possessing intuitive problem-solving skills, proficiency in programming languages (C, C++, Python, Dart), and advanced level proficiency in English with good interpersonal and communication skills. Keen to pursue a career in Software Development.

EDUCATION

Nov. 2019 - Present

BSc. CSIT (4th Sem) - Nepalaya College (TU) - Kathmandu, Bagmati
(3rd Sem: 77.2%)

Jun. 2019

+2 - KIST College - Kathmandu, Bagmati
Aggregate Grade: 3.27

Mar. 2017

SEE - DBSS - Dhading Bensi, Dhading, Bagmati
Aggregate Grade: 3.60

WORK EXPERIENCE

App Development Trainee – [Nitya Shree Developers](#), Dec 2022 – Present

Working on UI and api integrations - Nitya Health

LEARNING PROJECTS (Flutter)

- Developed a cross-platform Notes app with login and register page, and backend cloud firebase
(<https://github.com/roshanxshrestha/Test-Flutter-mynotes->),
- Responsive Netflix Clone (used cubits)
(<https://github.com/roshanxshrestha/netflix-clone-flutter>),
- Developed a Recipe List app to learn and implement APIs (used RapidAPI in this project)

- (<https://github.com/roshanxshrestha/recipe-list-flutter>),
- Basic games like Tic-Tac-Toe and Hangman
(<https://github.com/roshanxshrestha/tic-tac-toe-flutter>),
(<https://github.com/roshanxshrestha/hangman-game-flutter>),
- Developed an Apple Calculator Clone
(https://github.com/roshanxshrestha/calculator_iphone),
- Developed a BMI Calculator
(https://github.com/roshanxshrestha/bmi_calculator)

KNOWLEDGES/ LEARNINGS

- Have taken a 37 hours Cross Platform App Development Flutter Course on YouTube (freeCodeCamp.org: <https://www.youtube.com/watch?v=VPvVD8t02U8&t=5084s>),
- Have taken a 6 hours Full Python Course on YouTube (Programming with Mosh: <https://www.youtube.com/watch?v=uQrJ0TkZlc&t=10754s>),
- Fine knowledge about the concepts of Object-Oriented Programming like Inheritance, Encapsulation, and Polymorphism,
- Completed a 6 months course on DSA and have good knowledge about LinkedList, Queue, Stack, Trees, and various Searching techniques,
- Completed a 6 months course on Computer Network and have a concept of computer networking with its layers, topologies, protocols & standards, IPv4/IPv6 addressing, Routing, and Latest Networking Standards,
- Comfortable with intermediate-level MySQL.

SKILLS

Hard Skills:

Languages: C, C++, Python, Dart

Web Development: HTML, CSS, JS

Designing: Figma

Adobe Software: Premiere Pro, Illustrator, Media Encoder, Photoshop, Lightroom

Soft Skills:

Public Speaking, Leadership and a Team player, Analytical and Critical Thinking,
